

TORRES STRAIT SCIENTIFIC ADVISORY COMMITTEE	Meeting 45 17 -18 June 2008
TSSAC WORK PLAN	Agenda Item No. 8.1 FOR DISCUSSION

RECOMMENDATION

8.1.1 The TSSAC **AGREE** to develop a plan of work for the TSSAC to be provided to the PZJA.

BACKGROUND

To ensure that maximum efficiency is derived from research funds available for Torres Strait fisheries and from TSSAC members, a work plan to guide the TSSAC activities will be essential.

DISCUSSION

A work plan for the TSSAC should consider steps required to:

- call for research proposals,
- assess research proposals,
- administer funds and
- monitor progress of research projects.
